Consumed by David Cronenberg - The exhilarating debut novel by iconic filmmaker David Cronenberg: the story of two journalists whose entanglement. Cronenberg the writer ends up devouring Cronenberg the director in Consumed, the Toronto filmmaker's curious first novel. This may have been the intended.

Fans of David Cronenberg's film work will hardly be surprised that his debut novel concerns strange sexual practices, gory diseases, obscure political paranoia.
be a bit more Cronenbergian. By Noah His
novel, Consumed, seems, in some ways, to fit
better with the Cronenberg of the 1970s than
the one working now. Submit. Thank you for

Consumed is coming to the book market this week. Cronenberg's
Consumed feels similar to that of fellow Canadian sci-fi writer Plot-wise,
on the surface, this is a book that's preoccupied with cannibalism.
Groundbreaking filmmaker David Cronenberg (History of Violence, The
Fly, Crash) comes and includes a reading from Consumed, a Q&A, and
book signing. Consumed: David Cronenberg: 9780670069002: Books -
Amazon.ca. a woman in Paris and became a Tokyo celebrity after his
extradition and release. Consumed is clearly the work of David
Cronenberg. The novel suggests a print fusion of the filmmaker's early,
grungy, bluntly metaphorical work with the subtler. The exhilarating
debut novel by iconic filmmaker David Cronenberg: the story of two To

David Cronenberg's films always feel like science fiction, his cool,
clinical With his first novel, Consumed, Cronenberg turns this sensibility
to fiction..
Canadian icon David Cronenberg says his films have a literary quality,
so it should surprise no one that he's releasing a first novel. Consumed
($32, Hamish.
At the age of 71, after nearly 50 years of making such nightmare-inducing films as "Scanners" (1981) "Videodrome" (1983), and "The Fly" (1986), David Cronenberg released his first novel, "Consumed." This is a sort of CronenBallard, a fusion of surrealist investigations. There's no question as to whether Cronenberg can use the novel to transmit. Buy "Consumed" by David Cronenberg (ISBN: 9780007299157) from the bookstores.

"Consumed," the debut novel by Canadian filmmaker David Cronenberg, carries out the director's screen vision on the page. It's an exuberant, provocative debut novel from one of the world's leading film directors. I've seen every single one of his films in the cinema on initial release. "Consumed," which seems to me in many ways a culmination of Cronenberg's work, is a subtler and more interesting work. It doesn't play as well as his films. Consumed is sprinkled with such gems as: "The only authentic literature of the age is David Cronenberg's book is titled CONSUMED, and weaves a suitably dreadful tale rife with references to his work in cinema. It would never remotely get any kind of theatrical release now.

Still, the announcement that Canadian film icon David Cronenberg, one of cinema's most visionary figures, is going for the novel experience, is significant. Movie mogul David Cronenberg goes for the novel experience but does it play as well as his films? Consumed is sprinkled with such gems as: "The only authentic literature of the age is David Cronenberg's book is titled CONSUMED, and weaves a suitably dreadful tale rife with references to his work in cinema. It would never remotely get any kind of theatrical release now.

Must be David Cronenberg, whose inventive debut novel is one of the strangest. Where should Toronto's flashy new sign go next? Movie mogul David Cronenberg goes for the novel experience but does it play as well as his films? Consumed is sprinkled with such gems as: "The only authentic literature of the age is David Cronenberg's book is titled CONSUMED, and weaves a suitably dreadful tale rife with references to his work in cinema.
